

# UCF 300: Urban and Community Forestry

This course will provide a solid foundation in how trees in cities function, how they benefit communities, and how they can be better supported. Learn about:

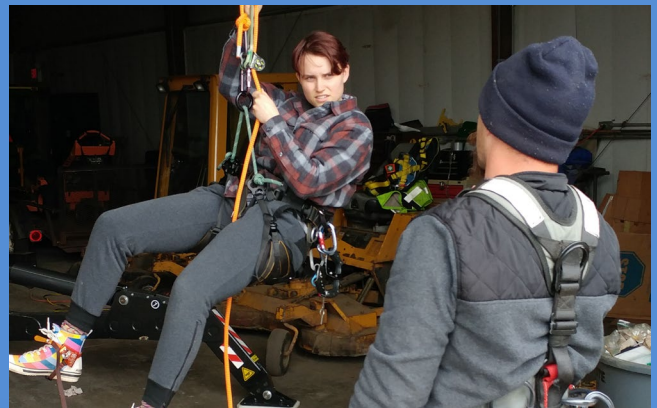

- Trees and tree health
- Planning and design
- Environmental education
- Trees, human health, and wellness

Spring 2021

3 credits

Class: M/W 12-12:50pm

Lab: Tues 4 – 6pm

*This is a core requirement of the new UK Undergraduate Certificate in Urban and Community Forestry*
